The Institute for Meditation and Psychotherapy, 51 Martin Street, Cambridge, MA 02138

PROFESSIONAL EXPERIENCE

Psychologist (05/2008-Present)

Latino Psychological Institute, Inc., Providence, Rhode Island

Duties: I am a bilingual (English/Spanish) and bicultural clinical and forensic psychologist and the founder of the Latino Psychological Institute, Inc. in Providence, Rhode Island. I specialize in providing multilingual and culturally informed psychological evaluations to diverse populations to help determine disability, worker's compensation, fitness-for-duty, diminished capacity, and vocational rehabilitation needs. I conduct IME's for diverse organizations including the Rhode Island Workers' Compensation Court. I provide psychotherapy to young adolescents and adults who are managing complex developmental transitions, medical challenges and end-of-life issues.

Parole Board Member (02/2013-Present)

State of Rhode Island Parole Board

Duties: The Parole Board considers the early release of incarcerated offenders according to R.I.G.L. § 13-8-1 et seq. The Parole Board members determine when and if an offender is release from prison using a structured decision-making process that focuses on community and victim safety.

Consulting Psychologist (01/2018-Present)

Bristol Community College, Fall River, MA

Duties: Provide supervision to graduate students and clinical consultation to counseling staff. Collaborate with other departments within the BCC community with regard to mental health and wellness needs.

Research Psychologist (05/2019-Present)

Department of Veterans Affairs, Providence, RI

Study Title: Mindful Self-Compassion for combat deployed Veterans with Moral Injury and co-occurring PTSD and substance use disorders. Principal Investigator: Dr. Erica M. Eaton, Ph.D.

Duties: Teach MSC to combat deployed Veterans that experience moral injury, PTSD, and substance use disorders to test the acceptability and feasibility of MSC with this clinical population.

Director of Behavioral Health (10/2012-12/2013)

Bethany Home of Rhode Island, Providence, Rhode Island

Duties: Implemented behavioral health policies and coordination of psychological care services for a facility that provides skilled nursing, restorative, hospice and respite care for adults. Provide individual and family psychotherapy for residents.

Forensic Evaluator (09/2007-04/2008)

Forensic Service, Bridgewater State Hospital/Massachusetts Department of Correction, Bridgewater, MA

Forensic Health Services, Braintree, MA

Supervisor: Stephen DeLisi, Ph.D.

Duties: Conducted court-ordered aid-in-sentencing evaluations of adult male patients pursuant to M.G.L. Chapter 123, § 15. Performed diagnostic and collateral interviewing, psychological testing, report writing, after-care planning and expert witness testimony. Provided clinical supervision to Master's level trainee.

Psychometrician (04/2001-05/2003)

Forensic Service, Bridgewater State Hospital/Massachusetts Department of Correction, Bridgewater, MA

Supervisors: David W. Holtzen, Ph.D. and Ira K. Packer, Ph.D.

Duties: As member of diagnostic assessment team, conducted mental status exams, diagnostic interviews and administered, interpreted, and integrate psychological and neuropsychological assessment measures to aid in diagnosis of adult patients undergoing forensic evaluations under Massachusetts General Law, Chapter 123, § 7/8, 15, 16, and 18.

Psychotherapist/Program Coordinator/Interim Supervisor (03/1994-06/1996)

Great Brook Valley Health Center, Worcester, MA

Supervisor: Dale Young, Psy.D., M.P.H.

Duties: Conducted bilingual individual and group psychotherapy with underserved urban residents, crisis intervention/assessment, intake evaluations and psycho-educational groups. Developed, implemented, and coordinated a bilingual parenting program with a focus on psychosocial issues that affect parenting practices. Managed the social service department and provided clinical supervision to social workers, led weekly staff meetings, and conducted performance evaluations.

Mental Health Counselor (06/1993-04/1994)

Northwest Dade Center, Hialeah, FL

Duties: Counseled migrant farm workers and their families who were victims of Hurricane Andrew and had been identified as having PTSD. Provided crisis intervention, psychosocial assessment, individual counseling, play therapy, case management and organized psycho-educational workshops on parenting skills, social skills, violence prevention and substance abuse prevention.

POST-DOCTORAL TRAINING

Forensic Evaluator (20 Hours/week, 09/2005-03/2006)

Forensic Service, Bridgewater State Hospital/Massachusetts Department of Correction, Bridgewater, MA

University of Massachusetts Medical School, Worcester, MA

Supervisor: Ira K. Packer, Ph.D.

Duties: Conducted court-ordered competency to stand trial, criminal responsibility, and need for care and treatment forensic evaluations of adult male patients pursuant to M.G.L. Chapter 123, § 7/8, 15, 16, and 18. Performed diagnostic and collateral interviewing, psychological testing, report writing, and expert witness testimony.

Unit Therapist (16 Hours/week, 12/2005-07/2006)

Massachusetts Treatment Center/Massachusetts Department of Correction, Bridgewater, MA.

Forensic Health Services, Inc., Braintree, MA

Supervisor: Alejandro Leguizamo, Ph.D.

Duties: Provided group therapy for sex offenders serving state prison sentences and for sex offenders who were civilly committed (one day to life sentences). Designed and taught psycho-educational classes, conducted treatment planning and developed culturally- relevant treatment resources for a diverse Spanish-speaking population. Supervised Master's level clinicians.

Bilingual School Psychologist (40 Hours/week, 09/2006-04/2007)

Unified Student Services, Boston Public Schools, Boston, MA

Supervisor: Paula St. James, Ph.D.

Duties: Provide psychoeducational testing, counseling, and consultation for school-age children attending the Boston Public Schools. Assisted multi-disciplinary treatment teams determine eligibility for special education services.

PRE-DOCTORAL TRAINING

Pre-doctoral Intern (full-time, 06/2003-05/2004)

VA Boston Healthcare System, Brockton Division/Harvard Medical School (APA Accredited), Brockton, MA

Major Rotation: Acute Inpatient Psychiatry/Domiciliary. Minor Rotation: Geropsychology

Supervisors: John Pepple, Ph.D., Benjamin Presskreischer, Ph.D., Jim Curran, Ph.D., Jennifer Moye, Ph.D. and Michele Karel, Ph.D.

Duties: Provided individual and group psychotherapy to inpatient psychiatric patients representing the full spectrum of psychopathology and functional decline. Conducted psychological evaluations and case formulations. Participated in diagnostic interviews, treatment planning, risk assessment, family evaluations and consultations with other wards and disciplines. Conducted capacity evaluations for veterans residing in nursing home and transitional care units.

Trainee (20 hours/week, 09/1999-06/2000)

Forensic Service Department, Worcester State Hospital

University of Massachusetts School of Medicine, Worcester, MA

Supervisors: Mathew Zaitchik, Ph.D., Leslie Malkiewich, Ph.D., & Elizabeth W. Henrikson, Ph.D.

Duties: Assisted team in performing court-mandated forensic evaluations and mandatory forensic reviews under Massachusetts General Law, Chapter 123, § 7/8, 15, 16, and 18. Conducted mental status exams and clinical forensic interviews under live supervision. Administered, interpreted, and integrated psychological and neuropsychological assessment measures of patients undergoing forensic evaluations.

Trainee (20 hours/week, 09/1998-06/1999)

Bilingual Assessment Clinic, Franciscan Children's Hospital, Boston, MA

Supervisors: Frank Hernandez, Ph.D. and Emma Kraidman, Ph.D.

Duties: Delivered outpatient and school-based psychotherapy and testing services to disadvantaged urban children aged 2-18 years. Performed diagnostic assessment, treatment planning, and individual and family therapy. Conducted psychological, cognitive and neuropsychological testing, parenting training, and case consultations to schools and medical staff.

Fellow (full-time, 07/1996 -06/1997)

National Association of Community Health Centers, Washington, DC

Johns Hopkins University, School of Hygiene and Public Health, Baltimore, MD

Purpose: To prepare healthcare professionals for leadership roles with medically underserved populations in community, migrant and homeless healthcare settings.

Duties: Coordinated and restructured clinical programs including healthcare for the homeless, social services, and school-based health clinics. Supervised social workers, led staff development and training.

Trainee (24 hours/week, 09/1992-06/1993)

The Medical Foundation Prevention Center, Boston, MA

Supervisor: Margie Henderson, M.A.

Duties: Developed, organized, and facilitated psycho-educational groups for inner-city prevention programs on parenting skills, substance abuse, sex education, and violence prevention. Helped organize and facilitate the "Peer Institute," a statewide conference for peer leaders sponsored by the Massachusetts Department of Public Health.

RESEARCH EXPERIENCE

Research Associate (09/2004-05/2005)

Geriatric Mental Health Clinic, VA Boston Healthcare System, Brockton Division/Harvard Medical School, Brockton, MA

Principal Investigator: Jennifer Moye, Ph.D. (Principal Investigator)

Research Project No. 1: *Limited guardianship to maximize independence of elders: A review of law and practice with implications for Massachusetts.* This study reviewed guardianship statutes with an emphasis on mechanisms for limited guardianship.

Research Project No. 2: *Improving assessment of the capacity to make a medical decision: A pilot study.* This study piloted a revised instrument for medical decision making capacity in elderly patients with dementia and schizophrenia.

Duties: Coordinated all aspects of planning, implementation, data collection (both archival research & clinical interviewing), and assisted with report writing.

Research Fellow (Summer 2005)

Summer Training on Aging Research Topics—Mental Health (START-MH)

Division of Geriatric Psychiatry, University of California, San Diego, CA

Principal Investigator: Jennifer Moye, Ph.D.

Host Institution: VA Boston Healthcare System, Brockton Division/Harvard Medical School

Research Project: Assessment of Capacity to Consent to Treatment in Older Adults with Dementia and Schizophrenia.

Research Coordinator (09/1997-06/2001)

Schizophrenia Research Lab, University of Massachusetts Boston, Boston, MA

Principal Investigator: Amy G. Weisman, Ph.D.

Research Project: Conducted research on sociocultural factors that influence the course of schizophrenia.

Duties: Coordinated all phases of research including recruitment, data collection (clinical interviews), data analysis and report writing.

Research Intern, (Summer 1991 and 1992)

Minority Research Internship, University of California, Riverside, CA

Principal Investigator: DeWayne Mason, Ph.D.

Research Project: Investigated teachers' views on combination grade classes in Southern California.

Duties: Conducted data collection (clinical interviews) in school districts throughout Southern California. Assisted with data management and report writing.

TEACHING & MENTORING EXPERIENCE

Center for Mindfulness and Compassion, Cambridge Health Alliance, Cambridge, MA

Mindful Self-Compassion (MSC) Course Facilitator, October-December, 2018; February-April 2019; April-June 2019.

The Institute for Meditation and Psychotherapy, Cambridge, MA

Section Faculty, Certificate Program in Mindfulness and Psychotherapy, 2017-Present.

Union Institute and University
